Back from the ravages of "Super Storm Sandy", this new expansive cape-style modular home is built securely on a piling foundation with a 2-car garage on the lower level. This magnificent 3,500 Square Foot home, built in Monmouth Beach, NJ offers 4 spacious bedrooms, a gourmet kitchen, open floor plan, indoor and outdoor living and plenty of storage space.

Take a "Virtual Tour" of this beautiful modular home, then call our office/showroom to schedule an appointment to discuss your future home-building needs. 732-747-3800
